THERE'S VALUE ALL AROUND IN THE NEWEST ADDITION TO OUR ZT FAMILY

BAD BOY
2 YEAR / 200 HOUR
WARRANTY

We've taken the most popular model mower we make and created the best value available for the residential homeowner. The ZT Avenger sports the same build quality and durability of every Bad Boy Mower before it and pairs it perfectly with the power and performance you'd expect, with a price you probably wouldn't. Providing this kind of value is what we're famous for.

Don't believe us? Just take a step up on the deck.

BUILT STRONG WITH NO SACRIFICES.

Built on a strong 50x50mm all steel rail frame for its backbone. We add 9.5mm steel front forks — a Bad Boy construction hallmark — and a solid steel, all-welded deck. Formed from tough 7-gauge/4.5mm steel with reinforced edges, the unique baffling system maximises airflow for greater grass lift and a cleaner cut. And it all rides on a lower centre of gravity for better traction. Accessibility and being simple to clean and maintain comes standard. In fact, we simply make owning a Bad Boy as easy as driving one — without sacrificing a single ounce of performance or cut quality.

NEVER CUTTING CORNERS OF QUALITY

The ZT Avenger offers great value for homeowners, featuring the same build quality, durability, power, and performance as all Bad Boy Mowers, at an unexpected price.
