A “TOO MUCH FUN TO CALL IT WORK” RIDE

BAD BOY
2 YEAR / 200 HOUR
WARRANTY

The MZ Rambler Zero-Turn Residential Mower may be our smallest riding mower, but it still cuts like a Bad Boy. It's built on the same heavy-duty steel frame as our ZT Elite and MZ Magnum models. It sports industry-leading 7.9mm steel front forks.

And unlike the flimsy, bolted steel decks you'll find on other mowers this size, the Bad Boy MZ Rambler has an all-new all-welded, all-steel deck that won't bend or wobble. Made from 4.5mm or 7-gauge steel with reinforced edges, it's the heaviest deck you can get in this class.

DOESN’T SKIMP ON COMFORT AND CONTROL.

The cushioned seat adjusts front to back and the steering is tighter and smoother with our steering dampening system for better response and maneuverability. The adjustable, left or right side deck lift pedal allows you to easily dial in a deck height for a perfect cut time and time again. The large capacity fuel tanks also allow for plenty of deep storage and a cup holder. There’s easy access to all pulleys and drive belts with the flip-up floorboard — with rubber mat — being a first for its class.

AGILE BY DESIGN

Our smallest Bad Boy zero-turn mower offers serious advantages with a 42” deck for optimal maneuverability.
It’s compact enough to fit through gates and perfect for tight spaces.

BUILT TO FIT YOU

The MZ Rambler allows easy adjustments for a better ride. Choose your deck lift pedal side, dial in the perfect deck height, and adjust the cushioned seat for comfort.

42” DECK

ENGINE
